

Commission Business: Approve Minutes from January 2003 Meeting

8 Now, because we are well ahead of schedule and
9 I know that you are ready to really move on here, I am
10 going to have to have one piece of administration that
11 we have to do that I forgot to do earlier, and that is,
12 approval of the minutes.

13 (General laughter.)

14 CHAIRMAN WATKINS: Wait a minute now. Before
15 you go through that fast routine, I want to remind
16 everybody that the minutes you see in Tab 9 of your book
17 are very brief, a very brief summary, but if you go to
18 our Web site, you are programmed into what our good
19 transcriber here is doing on every one of these public
20 sessions.

21 The oral transcription of what we have said
22 here today is a part of the minutes of our meeting. We

1 are approving what we have all said, we have not hidden
2 anything from the public, and they have access to this.
3 That is what we are approving here. I would like to put
4 the minutes in with that context preface up for a vote.

5 M O T I O N

6 MR. RASMUSON: So moved.

7 DR. MULLER-KARGER: Second.

8 CHAIRMAN WATKINS: All in favor?

9 (A chorus of "ayes.")

10 (Whereupon, the motion is carried.)

11 CHAIRMAN WATKINS: Okay. Now, are there any
12 other things? I know Ed wants to stay on here and
13 discuss things further, salmon in Alaska and other
14 things.

15 (General laughter.)

16 MR. RASMUSON: You noticed that, huh
17 (laughter)?

18 CHAIRMAN WATKINS: I noticed that.

19 (General laughter.)

20 CHAIRMAN WATKINS: Are there any other things
21 that either the staff has to follow up questions on or
22 any of the commissioners at this point?

1 (No verbal response.)

2 CHAIRMAN WATKINS: Then, I propose that we
3 adjourn until tomorrow morning at 0900, when we will be
4 back here and we will commence with Bill Ruckelshaus and
5 the Governance Working Group presentations to the
6 Commission.

7 Thank you.

8 (Whereupon, at 5:40 p.m., the meeting was
9 adjourned.)
